

Viscor Product Highlight

Viscor is Going Vive With Lutron's Wireless Controls

We've integrated Lutron's wireless control technology, Vive, into our Visioneering line to:

- Maximize comfort and energy savings with full wireless control
- Built into the fixture at the factory
- No additional wiring

Shown with LRTH

Speed

- Readily available, in-fixture wireless controls
- Designed for quick and easy installation
- Fastest delivery in the industry

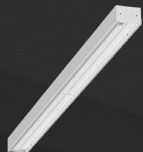

Savings

- Energy efficient Visioneering LED fixtures
- Additional energy savings with wireless control
- Reduce labour fees per in-field installation

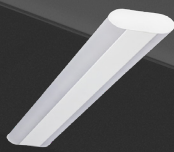

Experience

- Complete manufacturing capabilities offer controls in any fixture
- Locally manufactured since 1952
- Established Lutron partner

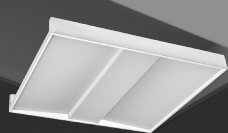

Visioneering's line of Vive integrated fixtures:
