- Schools
- Warehouses
- · Industrial/Commercial
- Showrooms
- Atrium/ Auditorium
- Retail
- Cafeteria

Featured Options

- · Adjustable cable suspension available
- Mounting brackets for pendant

Approvals

Optical System

Equipped with an inverted, conical dropdish lens. This impact resistant, acrylic lens is designed to optimize performance while minimizing glare.

Mounting

This luminaire is specifically designed for suspended mount applications. Must be mounted at least 16 inches below the surface (ceiling to bottom of luminaire).

Construction

Solid metal welded fabricated housing with integral ventilation slots and integral aluminum heatsink.

Finish

Polyester powder painted matte white finish is standard.

Electrical

Long life LEDs coupled with high efficiency drivers provide quality illumination. Rated to deliver L80 performance > 50,000 hours at 40 degree celcius ambient temperature. CSA/UL approved electronic components.

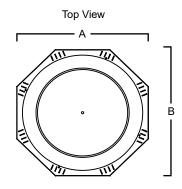

Warranty

5 year limited warranty. For complete warranty terms visit: https://www.viscor.com/en/docs/VISCOR_LED_WARRANTY.PDF

Approvals

Approved to CSA and UL standards. Tested in accordance to IESNA LM-79. Suitable for damp locations.
